"ERGANI" Information System enters into force

We would like to inform you that the Ministry of Labour, Welfare and Social Insurance has recently announced that on **13 September 2021**, the relevant Social Insurance (Contributions) (Amendment) Regulations of 2017 ([Regulations 167/2017](#)) enter into force.

The main amendments are the following:

1. The application for **registration of an employer** should be submitted **no later than one (1) day** prior to the date that the applicant is expected to become an employer.
2. Each employer should notify the Social Insurance Services for **each employee recruitment no later than one (1) day** before the particular recruitment.

The notification of new recruitments will be made **only electronically** through the Information System "ERGANI", which is located on the website <https://ergani.mlsi.gov.cy>. Relevant information on the operation and terms of use of the System are available on this website.

In addition, the Ministry of Labour, Welfare and Social Insurance has appointed [Communication Officers](#) at each District Social Insurance Office for further information and assistance.

It is noted that as from **13 September 2021**, the issuance and use of the "Certificate of commencement of employment" will be **abolished**.

3. Each employer must keep a **recruitment register**, in which they must record personal information for each employee (serial number, name, ID card number, Social Security number, date of recruitment and date of commencement of employment).

How can we help?

We are at your disposal to assist you with the registration to "Ergani Infomation" System.
