Deloitte.

Crisis & Resilience Management
Deloitte Cyber Strategy & Transformation

Businesses face a range of **threats** that can **disrupt operations** and **harm reputations**. Be it cyber-attacks or natural disasters, it is crucial to be prepared. Fundamental **barriers to effective crisis management** include:

- Evolving threat landscape
- Lack of crisis management plans
- Insufficient resilience strategy
- Increasing regulatory demands
- Expanding technology adoption
- Growing data volume & data protection requirements

Deloitte.

Our Crisis & Resilience services cover the full lifecycle of a crisis, helping clients **identify**, **assess**, and **prevent crises**, prepare for them, build **strong response and recovery plans**, and ensure business continuity and **long-term success**.
