

Dispute resolution Czech Republic

Our services cover the entire litigation agenda.

Our core specialisations include:

- Tax and customs disputes, including representation in administrative courts
- Disputes with various public institutions (subsidies, employment of foreign nationals...)
- Commercial disputes including arbitrations
- IP disputes (intellectual property)
- Real Estate disputes (administrative disputes, leases, zoning decisions...)
- Labour-law disputes
- Criminal liability of legal entities and representation in criminal proceedings

How we can help you:

- Manage all precautions regarding disputes in the contracting process;
- Set up a dispute resolution mechanism (arbitration or prorogation clauses);
- Assist you in claim management, including support in enforcing contractual claims;
- Prepare procedural strategies and represent you in tax or customs proceedings, including administrative litigation;
- Represent you in out-of-court settlement negotiations and assist during a mediation process;
- Represent you before courts and arbitral tribunals and other bodies, including international arbitration (ICC, LCIA, VIAC, etc.);
- Provide you with legal support during foreclosure / enforcement of judgments; and
- Represent you in insolvency proceedings.
