

Immigration Services

Our experienced team in Prague and Brno provides comprehensive immigration, relocation and compliance support. We help companies hire and transfer foreign employees, assist their family members, and design solutions tailored to your needs – ensuring smooth processes and full legal compliance.

How we support your business

Legal representation for **business visa, work permit, residence and citizenship applications**

Immigration support for hiring foreign employees, relocating staff globally, or starting a business locally

Document procurement, legalisation and attestation

Design of **global mobility policies and programmes**
