

Alumni Newsletter
January 2025

Dear Alumni,

As we step into 2025, a year of fresh opportunities and shared ambitions, it is my pleasure to welcome you to this edition of our Deloitte Alumni Newsletter. This moment invites us to reflect—not only on what we have achieved but also on the relationships and values that continue to guide us forward.

At Deloitte Luxembourg, we are more than a Firm; we are a community of diverse cultures, perspectives, and experiences. Each of us contributes something unique, and together, we create something far greater. Progress is never achieved alone—it calls on us to move Higher, Further, Together.

This past year was defined by milestones that reflect our shared values. From moments of celebration to meaningful initiatives, each has reinforced our commitment to inclusion and progress—reminding us that recognizing and celebrating our differences makes us stronger together.

2024 also marked the first full year of the Deloitte Foundation, transforming aspirations into tangible impact. Through the dedication of our people, we continue to foster prosperity within society, driven by shared principles and a genuine desire to make a difference.

As we look ahead, 2025 holds a special significance as Deloitte Luxembourg celebrates its 75th anniversary. This milestone is not only a time to honour our past but also a chance to reaffirm the values that will shape our future. It is a future built on trust and collaboration—not only with our clients and colleagues but also with you, our alumni, whose contributions remain an integral part of our legacy.

To each of you, thank you for your continued connection to Deloitte Luxembourg. Your trust and collaboration form the foundation of all we accomplish. We look forward to welcoming you back—whether at DLuxNights or one of our many events—throughout the year ahead.

May 2025 bring you clarity, courage, and the inspiration to turn opportunities into meaningful progress. Together, we will embrace what lies ahead and continue to create a lasting impact.

Kind regards,

John Psaila
CEO-Managing Partner
