

Deloitte Alumni Colleagues for life

Alumni Newsletter June 2023

Dear Alumni,

It is my hope that this message finds you all well.

I wanted to take a moment to reconnect and provide an update on our Firm's ongoing efforts. As you know, we have consistently strived to be a trusted partner and advisor for our clients, a leading employer of choice in Luxembourg, and a driving force behind positive change for a sustainable future.

In this context, I am delighted to announce that **17 talented individuals** have been promoted to Partner and Managing Director. Their exceptional quality of service to our clients and unwavering commitment to the values of integrity and excellence—that have been at the heart of our Firm's foundation for over 70 years—make them a remarkable asset to face the future with confidence, despite the turbulence of these times. I am certain they will be inspiring role models for our people to look upon and will lead us towards continued success.

We are also pleased to announce the creation of our philanthropic foundation, the Deloitte Foundation. This foundation will further our commitment to make a positive impact in our communities and beyond. It will serve as a unique platform that strengthens our meaningful partnerships with NGOs and associations in Luxembourg and the Greater Region, allowing our people to get more easily involved. More about this ambitious project will be shared publicly soon, but it was my wish to share this exciting news with you first.

Lastly, summer is on the horizon and with it, the delightful opportunity to reunite with you, our Colleagues for Life, at our second annual DLuxNights event on 8 June. This musical evening of celebration, surprises, and more will be a wonderful chance to reunite and enjoy countless quality moments together.

Until then, have a pleasant read and take care,

Kind regards,
John Psaila
CEO- Managing Partner
