## Liquidation services

Deloitte Luxembourg

In order to build and execute an efficient liquidation process, early discussions with an experienced and knowledgeable liquidator are key to a well-planned and tailor-made liquidation roadmap. Liquidating entities or investment fund structures is not part of your core business, but it has been our core competency for over a decade.

### Benefits of having Deloitte as a liquidator

Our restructuring practice has a dedicated liquidation desk of full-time professionals to handle the day-to-day tasks of your company fund liquidation.

We have a proven track record of successfully completed liquidation mandates, including regulated entities such as banks, insurance companies and investment funds.

thoughts, elaborating a detailed step-by-step plan that considers all organizational aspects to address all relevant questions and potential risks beforehand.

efficient manner with due care and diligence. We have therefore developed a strong monitoring tool that allows us to ensure all required steps in the liquidation process have been properly executed and within the set deadline.  $\bigcirc$ 

In appointing an independent liquidator, you can free up management time and focus on your priorities, while knowledgeable professionals handle your company/fund wind-down.

We have the necessary skills to deal with unique situations and structures of any size

You can benefit from our substantial trackrecord of realizing assets of all sizes and types, including illiquid assets.

/e can quickly address cross-border issues nrough the international Deloitte network.

### Credentials

Successful completion of more than 100 solvent voluntary liquidation mandates of regulated companies by our two partners leading the Deloitte Liquidation desk.

Significant liquidation experience in the banking, fund, SICAR and insurance industries that is also recognized by regulators.

Liquidation of several investment funds with assets under management exceeding EUR 600 million. Winding-down of several complex investment structures operating through multinational jurisdictions.

Realization of illiquid assets, including the coordination of legal proceedings for asset recovery purposes.

Assistant to the liquidator in solvent voluntary proceedings.

Court-appointed joint-liquidator for financial and operational aspects of judicial appointments.
