

Sultanate of Oman Tax Conference 2026

Agenda

Time	Description
08:30 – 09:00	Registration and Networking Coffee
09:00 – 09:10	Opening Remarks A welcome from Deloitte Middle East leadership to set the context for the day, followed by opening remarks from the OTA
09:10 – 09:20	Keynote Address: The Future of Tax Administration in Oman The OTA Chairman shares the Authority’s vision for a more digital, service-led tax administration, and the developments businesses in Oman should anticipate in the years ahead.
09:20 – 09:35	OTA Update: The Tax Authority’s Latest Developments and Direction The latest developments across the Tax Authority’s services and projects, and a look at what lies ahead for taxpayers in Oman.
09:35 – 10:05	Pillar Two: Preparing for the Global Minimum Tax Environment How the global minimum tax is taking shape internationally, what it means for multinational groups operating in Oman, and the data and governance foundations in-scope businesses should be building now.
10:05 – 10:35	Personal Income Tax: What Businesses and Individuals Need to Know A first look at Oman’s proposed personal income tax framework: who it could affect, the payroll and key steps for employers and employees to prepare for this development.
10:35 – 10:55	Large Taxpayers Services Department: Strengthening Taxpayer Engagement and Support An introduction to the OTA’s dedicated function for large taxpayers: the support on offer, how it aims to deepen cooperation between businesses and the Authority, and where engagement is heading.
10:55 – 11:15	Coffee Break
11:15 – 11:50	Fawtara (E-Invoicing): Announcing the New Phase of Oman’s Digital Tax Rollout The session opens with global and regional e-invoicing trends, then the OTA will announce a new phase in Oman’s e-invoicing rollout, including the official launch of the first tax invoice issued through the Fawtara system.
11:50-12:00	RAFID: Tax Management System An introduction to RAFID, the Authority’s new tax management system: the vision behind it, what it means for taxpayers today, and the improved digital experience ahead, including the upcoming mobile application and digital assistant.
12:00 – 12:30	Transfer Pricing and Customs: Regional Insights and Areas of Focus Transfer pricing developments across the GCC and the direction of travel for Oman, alongside the customs consideration’s businesses should keep in view as both areas evolve.
12:30 – 13:00	GenAI and Tax Transformation: Reimagining the Future of Tax A practical look at how businesses in Oman can apply Generative AI to tax: real use cases across the tax function, how to get started, and the governance to adopt it responsibly.
13:00 – 13:15	Q&A session A dedicated session addressing the key questions submitted by attendees, answered directly by the Oman Tax Authority.
13:15 – 13:25	Recognition ceremony and closing remarks
13:25 – 14:25	Networking Lunch
