DEMO DAY: Your chance to learn about the leading AI, data and tech-enabled solutions for compliance – hosted by Deloitte's Digital Regulation team!

Digital platforms are grappling with complex new EU & UK regulations, which require risk assessments, control frameworks and external audits. Compliance executives are planning to build enterprise-scale capabilities to meet these needs, with the scale, flexibility and automation needed for platforms.

At Deloitte, we know that the **compliance operating model architecture of the future** will be built on a technology platform which uses AI, interoperable technology and real-time data to be efficient, effective and – most of all – scalable.

DEMO DAY will showcase leading solutions for compliance, with on-stage presentations, demo pods and lots of networking. Register now!

EVENT KEY TOPICS

- **AI-ENABLED COMPLIANCE**
- **HORIZON SCANNING**
- **REGULATORY ANALYSIS**
- **POLICY MANAGEMENT**
- **GOVERNANCE, RISK & COMPLIANCE**
- **RISK ASSESSMENTS**

- **PRODUCT INTEGRATION**
- **MONITORING & REPORTING**
- **DATA MANAGEMENT**

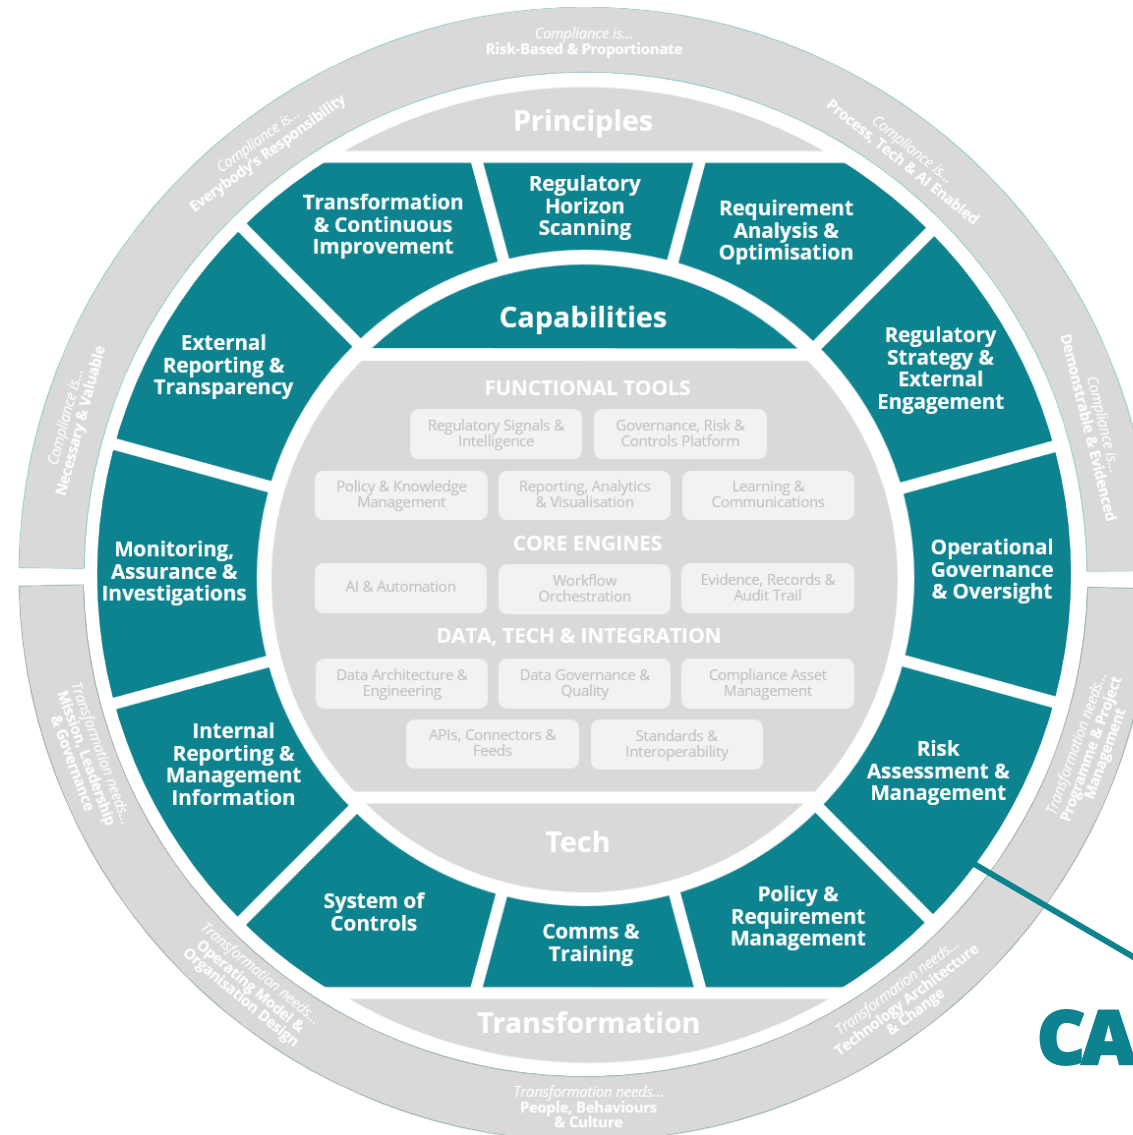

THE FUTURE OF COMPLIANCE: KEY CAPABILITIES

Find solutions for the jobs to be done

The **Deloitte Future of Compliance framework** sets out the key capabilities which organisations need to be successful.

With a focus on AI, data and tech-enablement, these capabilities provide a foundation for establishing an effective, efficient and – most important – scalable operating model.

DEMO DAY gives 100+ participants practical and hands-on experience of the latest generation of enterprise-scale solutions for compliance professionals, with live demos and discussions with vendors.

DEMO DAY: AI and tech enabled compliance

Wednesday, 14 October 2026 Shoe Lane Studios

Welcome to DEMO DAY: AI and tech enabled compliance

I am personally thrilled to invite you to what promises to be a day of unparalleled insights into the complexities of digital regulation.

In today's rapidly evolving landscape, digital platforms face unprecedented challenges with new regulations like the **Digital Services Act** and the **Online Safety Act**. It's clear that traditional compliance approaches are no longer sufficient. At Deloitte, we firmly believe that the future of compliance lies in leveraging cutting-edge technology – AI, open standards, and real-time data – to build robust, scalable, and efficient operating models.

DEMO DAY, on **Wednesday, 14 October 2026**, at **Shoe Lane Studios in London**, is our answer to this challenge. We've curated a programme that will bring together leading tech innovators and compliance experts to showcase practical, real-world solutions. You'll have the opportunity to experience live demonstrations of relevant tech solutions, engage in expert Q&A sessions, and network with peers and specialists from a number of leading technology vendors.

This is more than just an event; it's a chance to connect, learn, and collaborate on shaping the future of digital compliance. I am confident that you will leave with invaluable insights and actionable strategies to benefit your organisation.

- **Registration** : 08.30 BST
- **DEMO DAY begins** : 09:00 BST
- **Drinks Reception and Networking** : 17:00 BST

WHAT TO EXPECT ON THE DAY

A multi-track day of demos and insight

OUTSTANDING FEEDBACK

Attendees love our Digital Regulation events

“Overall the quality of speakers was great as they all shared valuable insights especially in the child safety area.”

“One of the best events I’ve been to! Well done team!”

“Tremendous event, kudos Deloitte team, great line up of speakers & networking – you had us on the edge of our seats from the get-go”

“It was such a pleasure to attend an event that brought together so many amazing speakers in just one day. Valuable insights all around. Thank you for the opportunity!”

“Helpful practical insights from regulators and peers that we can action.”

“Visionary, full of valuable insights and well executed!”

“Both the panel sessions and the 10-min briefings were really engaging and informative”

“I thoroughly enjoyed participating in the event, speaking about my experience building out digital safety and content regulation compliance programs”

“The entire day was great with a useful takeaway from almost every session.”

“The perfect mix of content and pace”

TERMS OF REFERENCE

Setting clear expectations for all participants

- Deloitte DEMO DAY is an in-person-only event hosted by Deloitte which is intended for digital platform regulatory compliance (and adjacent) leaders and vendors of relevant compliance and regulatory technology solutions and tooling. Participation at the event is at the sole discretion of Deloitte.
- The event will not be streamed, recorded or transcribed, and will not be covered by press/media.
- Deloitte follows all relevant rules and guidelines in inviting external guests to participate at the event.
- Deloitte is strongly committed to providing a welcoming and inclusive space to all attendees and has made every effort to ensure appropriate diversity and representation amongst our speakers, panellists and attendees at this event. The event space is fully accessible but if you would like to check please contact the event team.
- We expect all participants to treat each other with courtesy, respect and professionalism at all times.
- Deloitte aims to ensure a positive and valuable experience at this event for all attendees and does not tolerate any form of harassment or discrimination – especially in regard to gender, gender identity and expression, sexual orientation, disability, physical appearance, body size, nationality, race, or religion. Any event participants violating these rules may be removed from the conference.
- Any participants with concerns or questions about any of these terms should contact Deloitte or a member of event staff immediately.
