Deloitte – Travel Ready app enabled by SAP® Concur® solutions

MAKING AN
IMPACT THAT
MATTERS
Since 1845

Enabling **confidence** in your compliance management processes

We all know that the world of work and travel is changing fast. Whether it is regular business travel or new remote working needs, businesses need to know where their people are working.

The **Deloitte – Travel Ready app** enabled by SAP® Concur® solutions combines remote work approval, travel booking and compliance processes, helping employees get where they need to be with everything they need.

For you, this means effective **compliance, automated governance** and a **real-time assessment**.

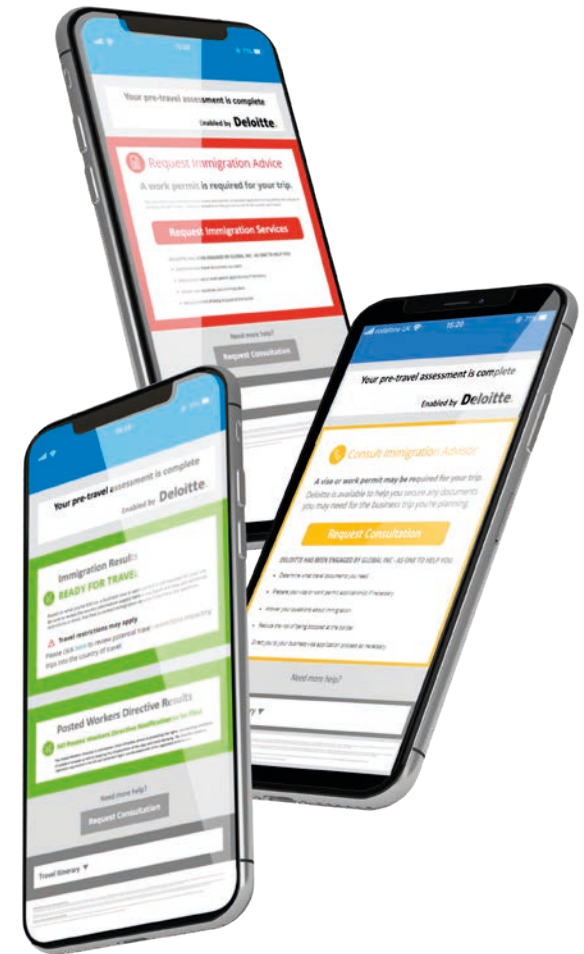

So what will this mean for your Employees?

The Deloitte – Travel Ready app gives your employees real-time clearance while they request to work remotely or make their travel plans, enabling them to travel with confidence so they can focus on what matters.

- ✓ A seamless experience delivered by a simplified user journey.
- ✓ Real-time assessments during the approval request and booking process.
- ✓ No duplication of effort – removing the need for manual data entry into separate systems.
- ✓ Pre-travel notification of immigration and EU cross-border requirements.
- ✓ Guidance on correct documentation in advance of travel.

What compliance coverage does this provide?

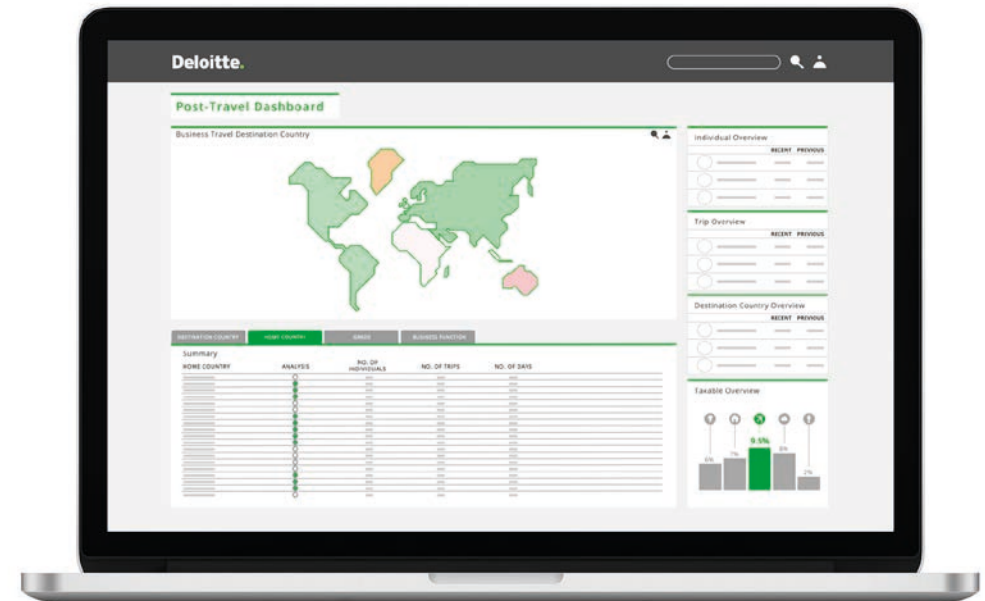

- Travel, quarantine and health
- Visas and work permits
- EU cross border workers rules
- Income taxes
- Interstate tax
- Social security
- Payroll taxes
- Corporate taxes and entity establishments

We'll give your employees a list of onscreen do's and don'ts to support them.

Wherever your **journey** takes you, the Deloitte – Travel Ready app lets you **focus on what matters**

Whether you are approving remote work through Concur Request or your employees are booking a business trip through Concur Travel, the **Deloitte – Travel Ready app** provides global governance to track and report your remote work and business travel populations at the touch of a button.

How does it benefit your business?

- ✓ Enhanced compliance delivered through increased employee engagement
- ✓ Process efficiencies through automated assessment and service initiation
- ✓ Global oversight and governance to better inform decision making
- ✓ Immigration and travel restriction logic powered by IATA Timatic and Deloitte
- ✓ Deloitte logic on Posted Worker Directive, tax and social security

Compliance. Without turbulence.
