

Reimagine what's possible for your enterprise and realise the full potential of Deloitte's Azure cloud services

Deloitte can help you determine the most effective way to innovate, unlock value streams and reduce cost.

App modernization and migration involves more than transitioning legacy technology and processes to cloud. It involves a strategic redirection - thinking about the evolution of your company and what cloud can ultimately enable for your business. How it can unlock new potential and deliver newfound competitive advantage.

Transform manual processes to cloud-first principles and drive insights and value across your organisation

An end-to-end, value-focused approach - on an accelerated path.

-  **Discovery and assessment**
Identify modernisation scenarios based on business priorities and business cases.
-  **Readiness planning**
Develop a road map around modernisation and migration types and complexity estimates based on current state criteria.
-  **Modernisation and migration**
Leverage intelligent automation and tooling to modernise and migrate applications in waves according to priority and organisational value.
-  **Test, cutover, and operate**
Offer day to day support and operation of the application(s) to cost effectively meet service level objectives.
-  **Decommissioning services**
Reduce technical debt and costs, and reinforce cybersecurity posture.

Deloitte.

A global leader in delivering Microsoft Technology Services

Our UK Deloitte Microsoft Technology Services Practice offers consistent, end-to-end capabilities on top of hybrid cloud solutions to help you translate the power, agility and speed of cloud to your business innovation and impact on a large-scale. We bring independent objectivity to our deep cloud skillset and to our extensive technology capabilities help you drive value quickly from your cloud investment.

Innovation at your fingertips

At Deloitte, we can help your cloud investment drive value quickly by bringing the skills and experience necessary to harness and unleash the power of the cloud, and translating this into your desired business outcomes.

Delivering impact

Deloitte builds on the technology you select and know, and integrates a portfolio of industry and domain specific tech capabilities, optimised to deploy on your cloud solution, to accelerate and amplify cloud's impact for your business.

Reaching your full potential

Our advise, implement and operate capabilities are built on decades of experience with large scale transformations and implementations with tech organisations and complex technical landscapes. These decades of experience are trusted by clients to help them reach their full potential and modernize their futures.

Recognised leader

For the most up-to-date list of our accolades, please visit the UK Deloitte Microsoft Technology Services Practice website.

(*As Microsoft's Independent Auditor, Deloitte is not a Microsoft partner and does not participate in the partner program or hold partner program designations, such as competencies.)

Deloitte Industry insights to help achieve what cloud makes possible

We apply our industry and business domain knowledge across six key sectors where Deloitte practitioners can drive particular advantage when a client has decided to use Microsoft's technologies:

Consumer

Deloitte's services span technology, human capital and strategy and help enable manufacturing organisations to enhance real time supply chain as well as customer experience value.

Energy, Resources & Industrials

Deloitte's specialists provide comprehensive, integrated solutions to all segments of sectors: oil, gas, and chemicals; power, utilities and renewables; and industrial products and construction.

Financial Services

Deloitte is recognised as a leader in cloud professional services, and organisational and technology transformation to financial and insurance organisations.

Government & Public Services

Deloitte's team brings decades of experience, fresh perspectives and extensive technology resources to help government agencies and educational institutions fulfil their missions.

Life Sciences & Health Care

Deloitte provides strategies and comprehensive solutions to help organisations respond to the opportunities and challenges in today's ever evolving life sciences and health care industries.

Technology, Media & Telecommunications

Deloitte's TMT practice has a wealth of experience in helping technology, media and entertainment, and telecom companies evaluate complex issues, develop fresh approaches to problems and implement practical solutions.

Our integrated Microsoft technology consulting services

If Microsoft is your chosen cloud platform, Deloitte's UK Microsoft Technology Services Practice team brings the breadth of services and depth of resources that enable us to help you keep pace with change, regardless of your challenges and opportunities.
