

Microsoft Business Applications Technology Services

Transforming your organisation, one application at a time

Every business faces unique challenges when it comes to transforming into a digital, future-ready organisation, with improving human experiences as a top priority. We imagine, deliver, and run the future by connecting ideas, technology, and talent. We help organisations turn technology transformations into new employee and customer experiences. When you decide to use the Microsoft Platform, including one of Microsoft's Industry Clouds to accelerate transformation, we can help you achieve business value and enable new capabilities never before possible.

Our leading capabilities in Microsoft Business Applications Technology Services

Our network of UK Microsoft technology services professionals, extensive experience across the Microsoft product portfolio, and dedicated focus on innovation, Deloitte is a major provider of business applications and industry transformation solutions.

People

Deloitte professionals are focused on human centred design and change management, have technical knowledge, and have deep industry, process, and program experience:

- Solution architects
- Data & integration architects
- Module specific technology specialists
- Microsoft Azure AI & ML developers
- Microsoft Power Platform developers
- Organisational change management professionals

Competency

Deloitte engineers Microsoft based solutions to help transform your business. We have extensive technology and business experience across industries in data security, business processes, software development, and more.

Our product knowledge, end to end services, leading practices, and a UK network of talent allows us to build teams with the right skills to help define, implement, and scale solutions from modernisations to business transformation.

Innovation

We invest in a wide range of industry offerings, tools, and accelerators for rapid development and delivery of high-quality solutions:

- Industry solutions are preconfigured to help you visualize and customise solutions tailored to your industry use cases
- Tools and accelerators are ready to use components that help reduce the implementation effort and timeline

Deloitte's services can deliver value to improve every part of your operations

Deloitte provides advisory, implementation and operate services across the Microsoft business applications landscape. Our Microsoft Business Applications Services tap into all the capabilities of Microsoft Dynamics 365 and Microsoft Power Platform to customize and streamline large, complex CRM and ERP applications or while leveraging one of Microsoft's Industry Clouds.

Our broad portfolio of Deloitte capabilities can transform business workflows, including marketing, sales, field service, finance, supply chain, and human resources.

Deloitte.

A global leader in delivering Microsoft Technology Services

Our UK Deloitte Microsoft Technology Services Practice offers consistent, end-to-end capabilities on top of hybrid cloud solutions to help you translate the power, agility and speed of cloud to your business innovation and impact on a large-scale. We bring independent objectivity to our deep cloud skillset and to our extensive technology capabilities help you drive value quickly from your cloud investment.

Innovation at your fingertips

At Deloitte, we can help your cloud investment drive value quickly by bringing the skills and experience necessary to harness and unleash the power of the cloud, and translating this into your desired business outcomes.

Delivering impact

Deloitte builds on the technology you select and know, and integrates a portfolio of industry and domain specific tech capabilities, optimised to deploy on your cloud solution, to accelerate and amplify cloud's impact for your business.

Reaching your full potential

Our advise, implement and operate capabilities are built on decades of experience with large scale transformations and implementations with tech organisations and complex technical landscapes. These decades of experience are trusted by clients to help them reach their full potential and modernize their futures.

Recognised leader

For the most up-to-date list of our accolades, please visit the UK Deloitte Microsoft Technology Services Practice website.

(*As Microsoft's Independent Auditor, Deloitte is not a Microsoft partner and does not participate in the partner program or hold partner program designations, such as competencies.)

Deloitte Industry insights to help achieve what cloud makes possible

We apply our industry and business domain knowledge across six key sectors where Deloitte practitioners can drive particular advantage when a client has decided to use Microsoft's technologies:

Consumer

Deloitte's services span technology, human capital and strategy and help enable manufacturing organisations to enhance real time supply chain as well as customer experience value.

Energy, Resources & Industrials

Deloitte's specialists provide comprehensive, integrated solutions to all segments of sectors: oil, gas, and chemicals; power, utilities and renewables; and industrial products and construction.

Financial Services

Deloitte is recognised as a leader in cloud professional services, and organisational and technology transformation to financial and insurance organisations.

Government & Public Services

Deloitte's team brings decades of experience, fresh perspectives and extensive technology resources to help government agencies and educational institutions fulfil their missions.

Life Sciences & Health Care

Deloitte provides strategies and comprehensive solutions to help organisations respond to the opportunities and challenges in today's ever evolving life sciences and health care industries.

Technology, Media & Telecommunications

Deloitte's TMT practice has a wealth of experience in helping technology, media and entertainment, and telecom companies evaluate complex issues, develop fresh approaches to problems and implement practical solutions.

Our integrated Microsoft technology consulting services

If Microsoft is your chosen cloud platform, Deloitte's UK Microsoft Technology Services Practice team brings the breadth of services and depth of resources that enable us to help you keep pace with change, regardless of your challenges and opportunities.

Azure Hybrid Cloud

Orchestrate your cloud journey from core to edge and everything in between

App Modernisation and Migration

Innovate, unlock value, and reduce operational costs

Analytics and AI

Transform your business into a cloud-centric, insights-driven organisation

Intelligent Edge and IoT

Engineer IoT and Edge computing platforms to streamline your business operations

SAP on Azure

Evolve your cloud infrastructure with Deloitte's ability to integrate Azure Cloud and SAP S/4HANA

Business Applications

Elevate human experiences and modernise every aspect of your business

Digital Workplace

Allow employees to work collaboratively and securely, anywhere, on any device

Cybersecurity

Protect essential business functions and address risk in an ever-changing threat landscape
