We asked the public what do you want improved most in Scotland to try and figure out, you know, what do they want?

0:06

Government and public services to go out the most and the top answer by a country mile with the cost of living and that's been the top answer for the last few years.

0:15

Second is NHS, again, a big margin between those top two in the next one.

0:22

But the next one was immigration and border security.

0:25

And what's interesting here is that's gone up 8 percentage points in the last year.

0:29

So Scotland has been a little bit slower than England to be concerned, if you like, about immigration and border security, but it's kind of caught up at this point.

0:39

So third in the the list of what the public want to see improved is immigration and border security.
