

## DELOITTE - CLIP 4

0:00

If you wanted listeners to take away one thing from State of the State this year, edge what, what, what would it be?

0:06

So I think State of the State Scotland 2026 says public services have had a tough time in recent years.

0:15

Public finances are in a rough place, but you've got fabulous strengths in Scottish Government and it's public services and it's all to play for.

0:25

OK, that's nice and positive.

0:26

I like it Ed.

0:27

Well, what about you Leslie?

0:28

I'm not sure that was one thing Ed give you 2 as well.

0:34

Optimism.

0:35

So.

0:36

So that deal for change that we talked about on on the back of election, let's grab that.

0:42

Let's genuinely do something with it and really embrace that.

0:46

And then the second point, just building on the discussion we've we've just had, we're one nation, 1 brilliant nation.

0:52

Let's work together to be as impactful as we possibly can.
