Deloitte's International Virtual Experience

It's your career

Make the right connections
and the big picture emerges

The Deloitte International Virtual Experience (DIVE) is your chance to gain invaluable business experience and start building an international network that will benefit you for a lifetime.

Over the course of your project, you will:

- Acquire skills you'll need to operate successfully within the Caribbean marketplace
- Dive into real-world issues affecting international business today to make an impact for global clients and in society
- Discover the wealth of opportunities available to you at Deloitte
- Experience diverse cultures by collaborating with professionals from around the Caribbean
- Gain exposure to international business priorities and local challenges
- Enhance your resume and gain a competitive edge

It's a small step to a new network and a giant leap toward your future.
