

Service offerings | Catastrophe Bonds

Deloitte is the leading Loss Reserve Specialist and Claims Reviewer for Catastrophe Bond Offerings over the last decade.

How Deloitte can help

If the Catastrophe Bond is triggered, you'll need professional service providers to review the claims submitted, assess the claims reserves for reasonableness and provide the relevant documentation. These professional service providers are also known as the Claims Reviewer and Loss Reserve Specialist.

The role of a Claims Reviewer is to perform specified procedures related to the claims data and reports in accordance with standards established by the American Institute of Certified Public Accounts (AICPA).

The role of a Loss Reserve Specialist is to perform actuarial procedures in accordance with the standards of practice promulgated by the Actuarial Standards Board and provide an opinion on the reasonableness of the loss reserves estimated by the Ceding re(insurer).
