Dear Liquidation Committee:

RE: Resignation from the position of Official Liquidator of Pacifco Global Advisors Ltd. (In Liquidation) (“PGA”)

I regret to inform you that due to a recent medical diagnosis, I now have to reduce my workload in order to focus my attention on my recovery. Accordingly, I hereby tender my resignation from the position of Official Liquidator of PGA, effective July 16, 2021.

Of course, I will do my best, as allowed by the state of my health, to ensure that the process of transitioning this liquidation to a new Official Liquidator is as seamless as possible.

I wish PGA and its creditors the best in the future.

Yours sincerely,
