SERVING THE ENTIRE ECOSYSTEM OF GOVERNMENT AND PUBLIC SECTOR PLAYERS

CROSS-SECTOR

Deloitte's industry leading experience collaborates with Google Cloud to develop industry-agnostic accelerators that span from security to contact centers to managing artificial intelligence at the edge—all of which can help you run a more effective and efficient organization.

FEDERAL

Deloitte's industry-leading government practice combined with Google Cloud empowers cloud transformation and provides federal government organizations with advanced data analytics capabilities. Transform the way you operate across people, processes, and technology—and begin to engage with constituents in a brand-new way.

STATE & LOCAL

Powered by innovation and transformation, Deloitte and Google Cloud collaborate on solutions that drive results for state and local governments. Equipped with cloud and advanced data analytics solutions, organizations can more effectively serve citizens to achieve better outcomes.

HIGHER EDUCATION

Cloud and advanced data analytics capabilities are transforming the way higher education institutions operate and engage with students. Deloitte and Google Cloud empower institutions with predictive analytics and machine learning that lead to improvements in student enrollment and admissions processes, student success rates, and scholar retention.

Why Deloitte and Google Cloud

In 2026, Deloitte's strong collaboration with Google Cloud was recognized with six Partner of the Year awards, including Partner of the Year for Artificial Intelligence (North America & APAC), Gemini Enterprise (Global), Industry Solutions (Global), Managed Security Service Provider (Global), and Infrastructure Modernization (Oracle).

This recognition builds upon a consistent record of success and acknowledgements since 2017. Deloitte was named Google Cloud Partner of the Year for Industry Solutions (Government) in 2025 and Public Sector (Global) in 2023. This long-standing achievement highlights Deloitte's proven ability to deliver innovative Google Cloud solutions that address the increasingly complex challenges faced by clients.
