## Deloitte and Veeva Partnership

Cloud-based business solutions for the  
global life sciences industry

# Collaboration delivers industry-leading technical and business capabilities

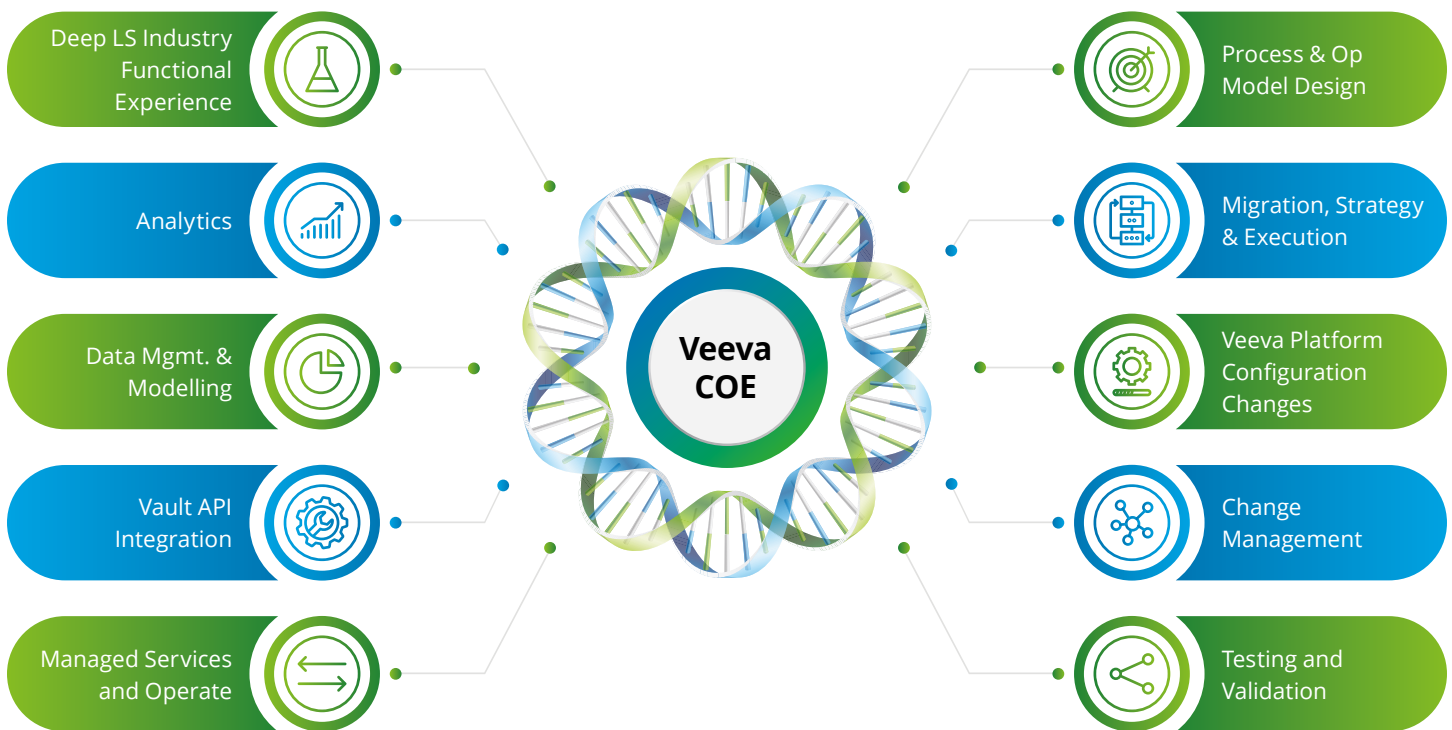

The Deloitte-Veeva partnership brings the combined, virtually unparalleled technical and business capabilities of two industry leaders for cloud-based solutions for biopharmaceutical, biotechnology, and other life sciences companies. This partnership enables Deloitte to better serve our Life Sciences clients who are, or who have implemented Veeva technologies to help transform their business. Through this partnership, Deloitte and Veeva have been able to efficiently collaborate and help our clients achieve better outcomes for both the business and IT.

Our certifications demonstrate our ability to collaborate and build teams composed of highly experienced business and technical consultants to deliver for our clients. Our strategic alliance enables Veeva to focus on the configuration while Deloitte supports the client's business and technical needs. This collaborative approach helps make the transition to new Veeva products as seamless as possible for all stakeholders while delivering business value.

# Joint efforts drive exceptional technical and business outcomes

With Veeva increasingly becoming a platform of choice for Life Sciences Industry, Deloitte's Veeva capabilities have evolved—we have a dedicated global Veeva Center of Excellence (COE) to centralize our Veeva ecosystem expertise and bring more focus & synergy in this space.

We have a dedicated and growing pool of **200+ trained** and **50+ Veeva certified professionals** with technical and functional knowledge working across global clients

We have Vault Certified Offshore pool of Veeva professionals allowing us to become fully engrained into our client's day-to-day operations

#### About Deloitte

Deloitte refers to one or more of Deloitte Touche Tohmatsu Limited, a UK private company limited by guarantee ("DTTL"), its network of member firms, and their related entities. DTTL and each of its member firms are legally separate and independent entities. DTTL (also referred to as "Deloitte Global") does not provide services to clients. In the United States, Deloitte refers to one or more of the US member firms of DTTL, their related entities that operate using the "Deloitte" name in the United States and their respective affiliates. Certain services may not be available to attest clients under the rules and regulations of public accounting. Please see [www.deloitte.com/us/about](http://www.deloitte.com/us/about) to learn more about our global network of member firms.
