

## Deloitte Technology Fast 500

### Recognizing growth and innovation

For 30 years, the Deloitte Technology Fast 500 program has recognized the fastest-growing companies across the technology, life sciences, fintech, and energy tech sectors. Past Fast 500 winners have included technology pioneers like Google, eBay, and Tesla who have transformed how we all live, work, and play. Will your company be next?

### What could come along with being a Fast 500 winner?

- Benchmark of success
- Increased visibility with investors
- Enhanced brand and customer recognition
- Positive influence on employee recruitment, retention, and morale
- Local, national, global, and social media exposure
- Valued networking opportunities at Technology Fast 500 events
- Official winner's plaque

### 2024 eligibility requirements

- Be in business for a minimum of four years and be headquartered within North America
- Base-year (fiscal year 2020) operating revenues of at least US\$50,000 and current-year (fiscal year 2023) operating revenues of at least US\$5 million
- A growth rate of 75% or greater; percentage revenue growth is computed as:  
**$$\frac{[(FY2023 \text{ revenue} - FY2020 \text{ revenue})/FY2020 \text{ revenue}] \times 100}{}$$**
- Own proprietary intellectual property or proprietary technology, which must be sold to customers in products or services that contribute to a majority of the company's operating revenues
