President's Fiscal Year 2025 Budget would revisit qualifying distributions for Private Foundations with annual payout requirements

According to the U.S. Treasury Department’s Green Book, the budget blueprint renews proposals from last year that would limit the use of donor advised funds (DAFs) to avoid a private foundation payout and a new provision that would exclude payments to most disqualified persons from counting toward the payout requirement.

Final accounting and disclosure rules for crypto assets to take affect for 2025 not-for-profit financial statements

In December 2023, the Financial Accounting Standards Board issued Accounting Standards Update (ASU) 2023-08, Intangibles – Goodwill and Other – Crypto Assets (Subtopic 350-60): Accounting for and Disclosure of Crypto Assets, which updates accounting and disclosure guidance for certain crypto assets to enhance decision-useful information about such assets and to better reflect the underlying economics of cryptocurrency transactions.

Not-for-profit entities holding crypto assets should prepare for this update to apply for 2025 financial statements.
