

The CISO Program

Connect. Support. Advance.

Leverage the Chief Information Security Officer Program to learn how to get ahead of tomorrow.

The CISO Program offers a holistic experience for leaders at every point in their journey. From rising executives preparing for their first CISO role, to mid-career leaders focused on resilience and balance, to seasoned veterans expanding their influence, the program provides tailored opportunities to help succeed today — and shape the future of the profession.

Leadership

Program Pillars

Connect

Provide leadership development experiences to help aspiring CISOs prepare for the shift from being security function leaders to multifaceted business leaders.

Support

Support your success through customized labs and workshops and access personalized career support and development opportunities.

Advance

Connect CISOs with peers, industry experts, and the cyber startup community across a wide range of issues.

The role of the CISO is shifting. Are you pushing your possible?

The CISO Program

Built exclusively for Chief Information Security Officers and senior cyber executives, the Deloitte CISO Program helps supports you at every stage of your journey. Through the Next Generation CISO Academy, Cyber Studios, or Transition Labs, our offerings grow with your career. Along the way, curated insights, peer networks, and personalized support help equip you with resources to succeed now and in the future.

About Deloitte

Deloitte refers to one or more of Deloitte Touche Tohmatsu Limited, a UK private company limited by guarantee ("DTTL"), its network of member firms, and their related entities. DTTL and each of its member firms are legally separate and independent entities. DTTL (also referred to as "Deloitte Global") does not provide services to clients. In the United States, Deloitte refers to one or more of the US member firms of DTTL, their related entities that operate using the "Deloitte" name in the United States and their respective affiliates. Certain services may not be available to attest clients under the rules and regulations of public accounting. Please see www.deloitte.com/about to learn more about our global network of member firms.
