US Korean Services Group (KSG)

Deloitte Touche Tohmatsu Limited (DTTL) network of member firms operates in major cities around the world to assist companies operating globally. KSG specializes in responding to the unique needs of Korean companies across the network of member firms and facilitates collaboration effectively to help better serve Korean companies on a global basis.

About the US Korean Services Group

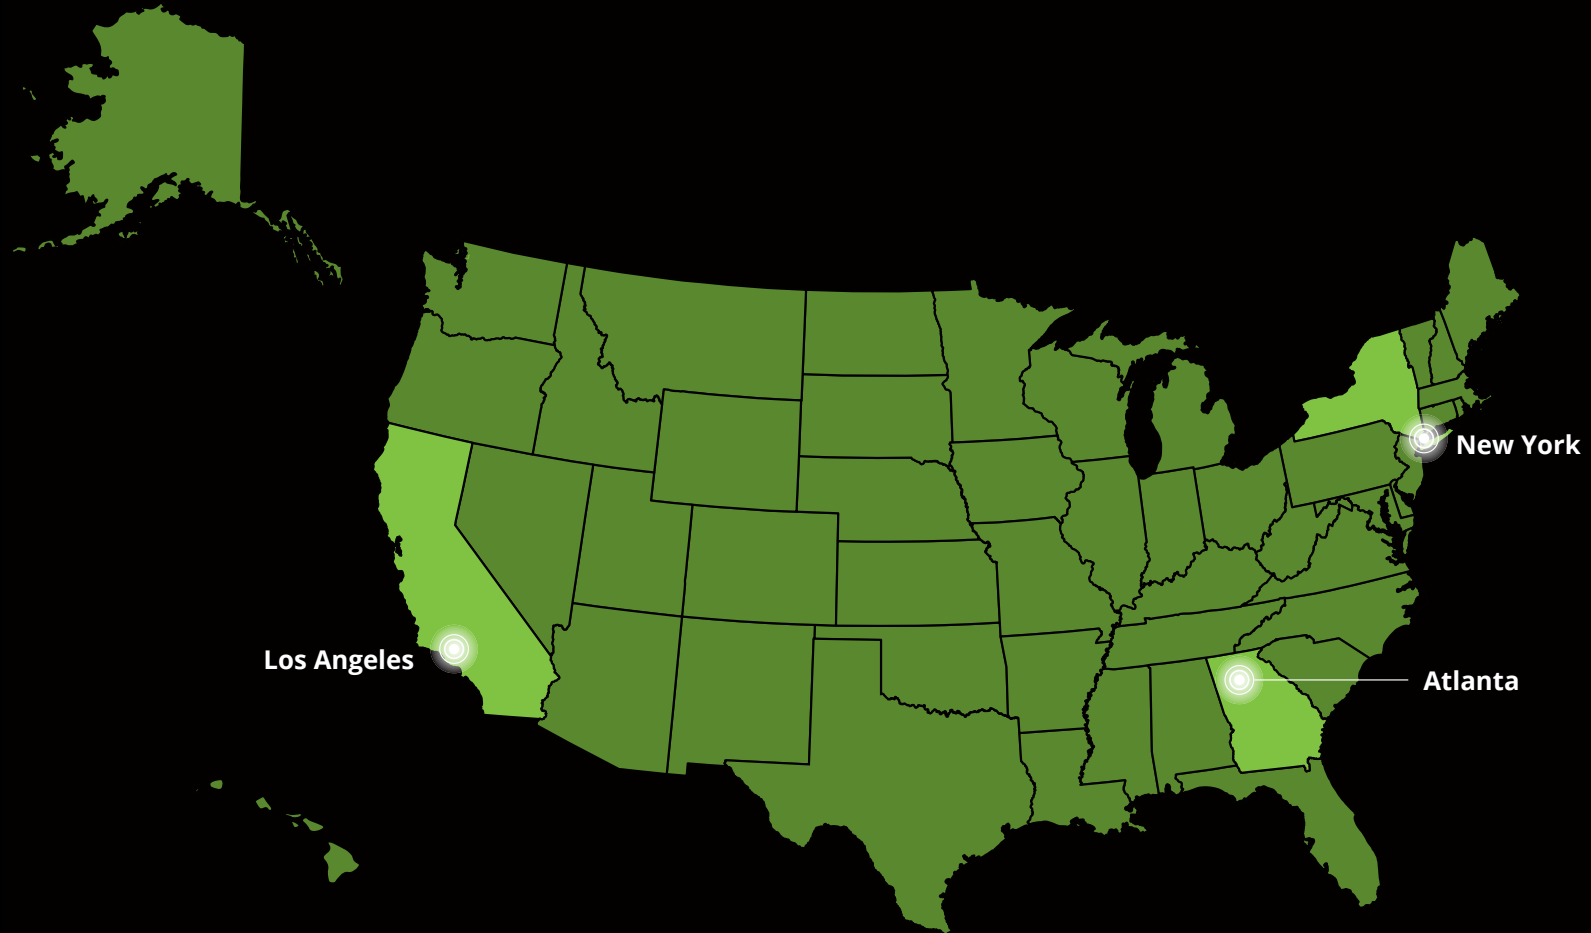

Established in 2010, the US KSG is a special network of professionals who respond to the unique needs of Korean-owned companies operating in the United States.

Over the past decade, the US KSG has served Korean multinational companies facing various challenges by combining our extensive experience and knowledge about client services with a careful consideration for Korean business.

The US KSG defines success by delivering quality services through effective communication across diverse cultures, languages, and geographic boundaries.

About Deloitte

Deloitte refers to one or more of Deloitte Touche Tohmatsu Limited, a UK private company limited by guarantee ("DTTL"), its network of member firms, and their related entities. DTTL and each of its member firms are legally separate and independent entities. DTTL (also referred to as "Deloitte Global") does not provide services to clients. In the United States, Deloitte refers to one or more of the US member firms of DTTL, their related entities that operate using the "Deloitte" name in the United States and their respective affiliates. Certain services may not be available to attest clients under the rules and regulations of public accounting. Please see www.deloitte.com/about to learn more about our global network of member firms.
