

## DELOITTE AND GUIDEWIRE **EMPOWERING INSURANCE INNOVATION**

Deloitte and Guidewire's solutions bring together Deloitte's experience and Guidewire's innovative software to help insurance companies modernize operations, enhance customer experiences, and drive business growth.

### *Solutions and services to shape the future of insurance*

Insurance has evolved rapidly in recent years. With change coming from all directions, consumers facing more risk while demanding enhanced experiences, and technology reshaping most aspects of our lives—Deloitte sees a virtually unparalleled opportunity to make the world's safety net even stronger.

Using Guidewire's property and casualty insurance cloud platform, we help streamline insurance carriers' shift to the cloud with our Guidewire Cloud Migration Factory. Our integrated solutions and accelerators, proven implementation processes, and mechanisms for ongoing innovation and growth assist in transforming core systems, so insurers have the agility to respond to market changes and customer demands.

We also deliver insights around embedded insurance, specialty insurance, workers' compensation assets, AI, and more. Our goal is to not just modernize key processes and support business growth—we want to help you create a more accessible, reliable, and beneficial insurance experience.

**Your journey to accelerated Guidewire Cloud migration starts with Deloitte. Together, we'll help you weather nearly any risk.**

### *The Deloitte and Guidewire difference*

#### **INSURANCE EXPERIENCE**

Deloitte's deep **industry knowledge** and Guidewire's specialized software empower insurers to address the industry's unique challenges, including **regulatory compliance**. Our solutions are designed to comply with industry regulations and standards.

#### **IMPLEMENTATION EXCELLENCE**

Deloitte's **proven methodologies**, accelerators, and leading practices simplify and accelerate the implementation of Guidewire solutions. Our **change management** services facilitate smooth transitions, user adoption, and faster time to value.

#### **INNOVATION AND GROWTH**

Deloitte and Guidewire's **future-ready solutions** support insurers in staying ahead of market trends and technical advancements. Our **scalable and flexible** solutions can grow and adapt to the business, so insurers are ready for whatever lies ahead.

## Guidewire-focused offerings

By implementing Guidewire, we set insurers up to quickly launch new products, expand distribution networks, empower agents, enhance customer experiences, improve operational efficiency, reduce costs, and more.

### WE CAN HELP WITH:

Cloud platform business and IT strategy, technology selection, and business case and roadmap creation

Digital transformation using Guidewire's suite of core systems, including PolicyCenter, BillingCenter, and ClaimCenter

Accelerated migrations to Guidewire with the Guidewire Migration Factory

Comprehensive implementation and upgrade services for PolicyCenter, BillingCenter, ClaimCenter, and DataHub/InfoCenter

Leveraging Guidewire data and analytics to provide actionable insights and support decision-making

## Realize your vision and turbocharge growth

Businesses need speed *and* control to take a new direction or realize their business case.

This is especially true for the technology that supports the core of your business, such as the Guidewire application suite. That's why Deloitte's integrated approach to implementing Guidewire combines deep industry knowledge, process experience, proprietary methods and toolkits, business acumen, and technology insight.

### THE POTENTIAL BENEFITS YOU STAND TO REALIZE INCLUDE:

**Operational efficiency.** The best policy is that everyone should have one, but even high volumes are no reason for inefficiency. Our integrated systems help streamline processes and reduce operational costs across insurance functions, from quotes to claims.

**Enhanced customer experience.** The future of insurance is human-centered, so our advanced digital capabilities are designed to improve end-customer satisfaction and loyalty.

**Regulatory compliance.** Even with regulations constantly shifting, we can help you find your footing with features designed to support regulatory compliance and minimize regulatory risks.

**Competitive advantage.** We use our firsthand insurance experience to design tools and capabilities that support you in building a human-centered approach and gaining a competitive edge in the market.

**Expansion into new areas.** Once your Guidewire platform is in place, you can explore adding new product offerings like specialty insurance, embedded insurance, workers' compensation, and more.
