US Japanese Services Group

As a leading organization serving Japanese multinational companies, the US Japanese Services Group specializes in responding to the unique needs of Japanese companies. US JSG utilize our extensive experience, knowledge and global network, along with careful consideration of Japanese business, culture and customs, to offer exceptional services to our clients.

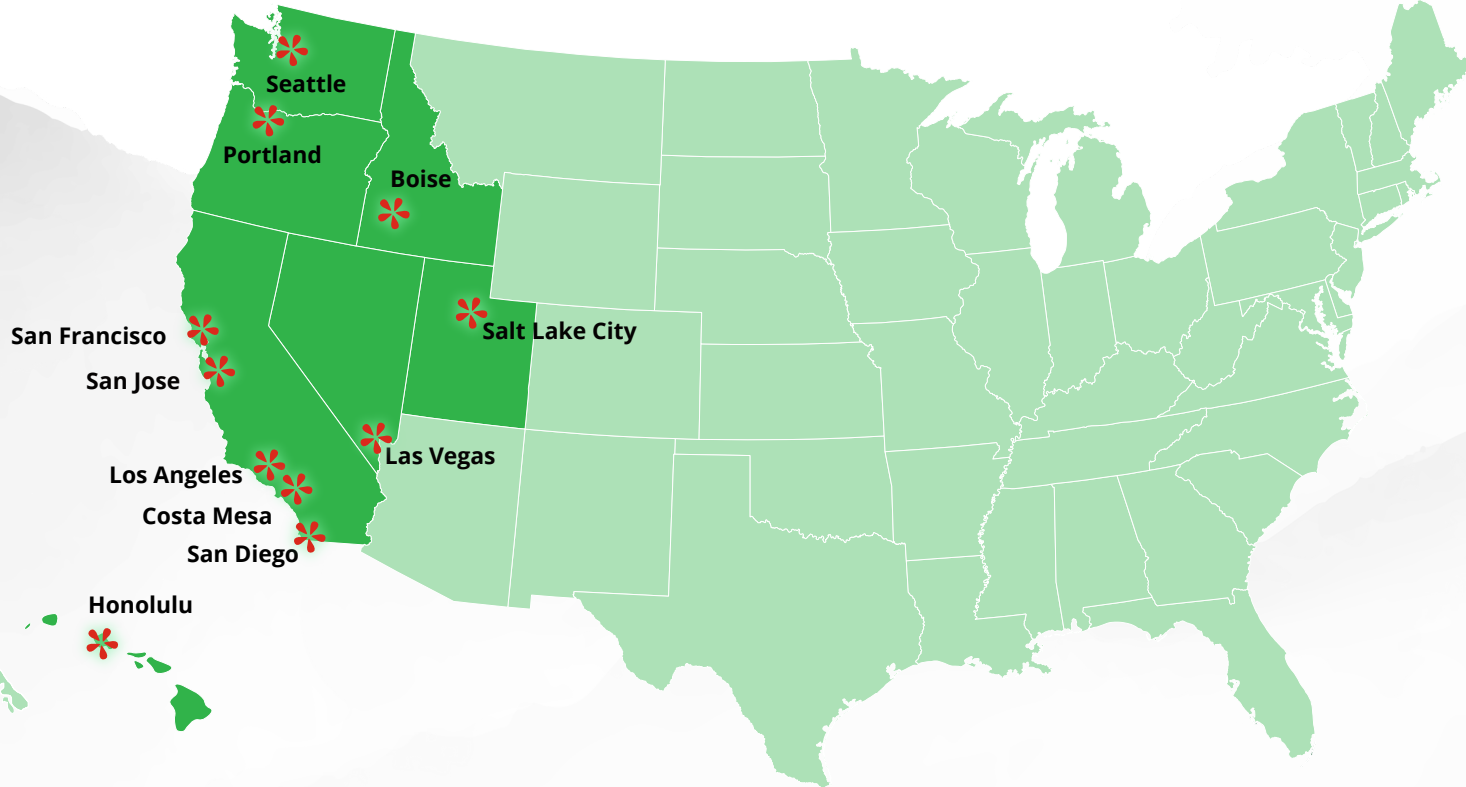

About the US JSG

Established in 1975, the Deloitte Global JSG (JSG) has been supporting Japanese companies with extensive industry experience and technical knowledge across service lines globally, leveraging deep understanding of Japanese culture and customs. The JSG is a network of more than 1,300 professionals worldwide outside Japan, including Deloitte Japan expatriates.

The US JSG, as a key component of the JSG, is dedicated to providing top-notch services to our clients and seamless collaboration through Deloitte Global member firms to drive growth across businesses, industries, and markets.

Deloitte refers to one or more of Deloitte Touche Tohmatsu Limited, a UK private company limited by guarantee ("DTTL"), its network of member firms, and their related entities. DTTL and each of its member firms are legally separate and independent entities. DTTL (also referred to as "Deloitte Global") does not provide services to clients. In the United States, Deloitte refers to one or more of the US member firms of DTTL, their related entities that operate using the "Deloitte" name in the United States and their respective affiliates. Certain services may not be available to attest clients under the rules and regulations of public accounting. Please see www.deloitte.com/about to learn more about our global network of member firms.
