Selection and qualifying criteria

The Deloitte Technology Fast 500 provides a ranking of the fastest-growing tech companies — both public and private — in North America. Technology Fast 500 award winners are selected based on percentage fiscal year revenue growth from 2022 to 2025.

This ranking is compiled from applications submitted directly to the Technology Fast 500 website and public company database research conducted by Deloitte LLP.

*Sector selection determined by Deloitte classifications when not confirmed by the company.

To learn more about the specific eligibility requirements and potential benefits of the awards program, please refer to our latest guidance.

To download a copy of the 2026 rankings go to the Fast 500 website.

About Deloitte

Deloitte refers to one or more of Deloitte Touche Tohmatsu Limited, a UK private company limited by guarantee (DTTL), its network of member firms, and their related entities. DTTL and each of its member firms are legally separate and independent entities. DTTL (also referred to as "Deloitte Global") does not provide services to clients. In the United States, Deloitte refers to one or more of the US member firms of DTTL, their related entities that operate using the "Deloitte" name in the United States and their respective affiliates. Certain services may not be available to attest clients under the rules and regulations of public accounting. Please see www.deloitte.com/about to learn more about our global network of member firms.
