

Legal Transformation Lab

Do you need to be better, faster and leaner? How can you make change happen? Our experiential lab takes legal leadership teams on a journey focused on three key stages.

1 IMAGINE

Imagine where your overall organization needs to be and understand the aspirations and vision for the legal team.

2 COMPOSE

Compose the strategic priorities for your legal team to support your organization's current and future business needs.

3 ACTIVATE

Activate change by creating high level plans to help your legal team start to realize its vision.

Reimagine Legal

- Explore potential strategies within a context of change and disruption
- Assess alignment to your corporate strategy
- Gain clarity on the future of your department
- Understand trends and leading practices, across all major legal competencies

Reinvent Experience

- Explore the art of the possible through a highly interactive approach
- Participate in tailored exercises and focused discussions aligned to your needs and aspirations
- Benefit from Lab content shaped by stakeholder interviews
