

# Third-Party Risk Management (TPRM) starter pack

## Deloitte's TPRM managed service: Get going with the starter pack

Deloitte's starter pack is designed to help clients with accelerated onboarding, rapid access to assessments in a few key risk areas, and the ability to better understand the outputs of a managed service over a six-month period. This starter pack can provide you with a broad view of risk and risk attributes across your third-party base to enable discussion and action with your stakeholders.

### Are you ready to:

- Onboard and centrally manage a select group of vendors?
- Run standardized assessments for greater transparency around your third parties' control environment?
- View standardized reports summarizing key findings?
- Reap the benefits of using an automated platform?
- Get on the path to a mature, programmatic, and process-driven TPRM program?

### Launch your TPRM program in just 30 days.

#### The starter pack includes:

- Six months of Deloitte's TPRM service
- 100 automated background screens
- 25 third-party questionnaires covering antibribery and anticorruption, cyber, and data privacy
- 20 remote assessments covering cyber, data privacy, and business continuity
- 100 continuously monitoring entities in real time across the extended enterprise
- Access to proprietary technology and standardized dashboards

#### Ongoing

A smooth transition into your scalable, long-term managed service:

- Third-party screening
- Background checks
- Third-party questionnaires
- On-site inspections
- Monitoring and reporting
