

## Tax Leadership Skills Accelerator

### Lead *with* confidence

The role of tax functions continue to evolve with growing regulatory and business complexity and the ever-changing marketplace. Tax leaders are facing increased expectations from the Chief Tax Officer (CTO) as well as other internal and external stakeholders, requiring a focus not only on managing the day-to-day operations in their specific area of responsibility, but also on increasing their impact as a strategic business partner, and supporting the CTO in their ever-expanding role. The Tax Leadership Skills Accelerator workshop is an in-person or virtual experience that was designed to help aspiring and established leaders acquire the insights, skills, and confidence to deliver greater strategic value to their organizations and move their own careers forward.

#### Tax Leadership Skills Accelerator Overview

The workshop is an immersive experience delivered in-person or virtually and designed to help direct reports of the CTO enhance their leadership and influence skills and develop a plan to accelerate success.

#### Three keys to tax leader success:

- 1 Time:**  
Significant new demands will be made on your time, and you should treat it like your most valuable asset.
- 2 Talent**  
Great talent enables your success and empowers your effectiveness.
- 3 Relationships**  
Tax executive who proactively cultivate critical relationships find it easier to integrate tax planning with business.

## During the virtual workshop, you will work through modules to help you...

-  Define and communicate your vision and value proposition
-  Elevate your leadership profile
-  Assess your talent
-  Understand and influence key stakeholders
-  Gain alignment with the CTO, your team, and stakeholders
-  Enhance your leadership and influence skills
-  Explore strategies to execute critical priorities
-  Develop a plan to accelerate success
