

Navigating Your **AI Journey**

Deloitte's integration of transformative AI capabilities enables organizations to achieve AI readiness and maturity based on specific mission or business needs.

Through the **AI Readiness & Management Framework** we help organizations assess where they are, define target outcomes, and chart a path forward.

Proven End-to-End AI Capabilities & Services*

**Please contact us for our full suite of solutions and services that enable our AI capability areas*

Deloitte applies AI with a human point of view. Our team applies the appropriate use of all technologies to allow public organizations to expand their abilities and advance their mission.

AI Use Case Dossier

See what's working for other agencies and consider the ways AI can advance your mission with the Government and Public Services Sector AI Use Case Dossier.

AI Immersive Experiences

Explore the art of the possible, prioritize concrete AI use cases, align on an AI vision, or produce an AI strategy in an immersive offsite lab guided by experienced facilitators. explorationlab@deloitte.com

GovConnect AI Ready Data Foundation

Achieve AI data readiness through a suite of services that will transform your data into a modern, cloud-integrated data ecosystem.

Workforce Readiness & Deloitte's AI Academy

Prepare your workforce with AI skills and knowledge by deploying organization-wide and role-based hands-on experiential and supplemental curriculum.

Trustworthy AI™ Framework

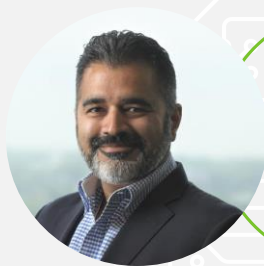

Deliver safe, responsible, and trusted AI solutions with our Trustworthy AI™ Framework in line with NIST.

CfG AI

Use CFG AI, providing a matured code base of data, models, and tools, to experiment and quickly scale with prefabricated AI solutions that can be tailored to your environment.
