

- Conduct interviews / workshops with the institution's leadership to understand the priorities and improvement aspects, in accordance with the Brazilian Code of Corporate Governance (CVM Resolution 586)
- Use the insights that have been generated to select the key challenges, plan and develop an integrated vision of business solution implementation (expected result)

- Use the insights that have been generated to select the key challenges, plan and develop an integrated vision of business solution implementation (expected result)
- Develop a vision of what needs adjustments and what needs to be considered for meaningful improvement in cost / benefit
- Determine the level of complexity of each process

- Develop conjectures on how one or more emerging technologies can be applied to help solve the challenges of implementing, monitoring and optimizing processes
- Leverage internal capabilities and / or develop new technological solutions
- Design the operational model, business requirements, implementation approach, and etc.

- Engage the institution to develop and implement the technologies selected for each work theme in the organization's testing environment
- Receive feedback on technologies, perform tests, measure and evaluate applicability
- Implement governance / change management for the testing and implementation stages of new solutions

- Identify the areas where the solution can be maximized for larger scales
- Develop strategies for using emerging technologies for the short, medium and long term, including change management and governance
- Monitoring the implementation of emerging technologies

Deloitte.

Deloitte refers to a Deloitte member firm, one of its related entities, or Deloitte Touche Tohmatsu Limited ("DTTL"). Each Deloitte member firm is a separate legal entity and a member of DTTL. DTTL does not provide services to clients. Please see www.deloitte.com/about to learn more.

Deloitte is a leading global provider of audit and assurance, consulting, financial advisory, risk advisory, tax and related services. Our network of member firms in more than 150 countries and territories serves four out of five Fortune Global 500® companies. Learn how Deloitte's approximately 286,000 people make an impact that matters at www.deloitte.com.
